Repeat Script without appointment		n/a	n/a	\$45.00	\$45.00	\$45.00
Weekend Surcharge	Private		\$15.00	Concession		\$10.00

Welcome to our practice

We are pleased to offer greater availability for acute general practice matters. A new GP fee reflects this change and is applicable for visits with Dr Amy Gavin, Dr Jonathan Meyer, Dr Kyra Barnes and Dr Poaul Zwarts. Integrative Health Solutions is not a bulk billing practice and full payment is required on the day of your consultation. If you are eligible for a Medicare rebate and bring a debit card, this can be paid into your bank account instantly. Concession discounts apply when a valid concession card is presented at the time of your appointment.

Minimum Medicare rebates are outlined above for your convenience. Larger rebates may apply if you reach the Medicare Safety net at any time during the year, minimising the gap you pay.

Phone consultations are available for brief matters, Telehealth consultations are advised for more complex matters and attract the same fee as an in person consultation. The gap will still depend on both time and content. Payments will be taken over the phone following your external consultation and can be made using a VISA, or Mastercard. Any test requests, scripts, referrals, results, or notes generated from these consultations will be emailed to you following receipt of your payment. Online script requests can be made through Health Engine. If you are facing a time of extreme financial hardship, please speak to our team.
